

Findings

- Added two-column (events/clubs) and three-column (dining/library/recreation) layouts, stacking on mobile.
- Adjusted text sizes (h1: 26px, h2: 22px, p: 14px–16px) for clarity.
- Added hover effects, keyframe animations (background color shift), and radio buttons to toggle event details.
- Used real CSUN content; replaced placeholders with images/csun-campus.jpg and CSUN logo.
- Successfully tested in Gmail, Outlook, Apple Mail; animations and radio buttons limited.

The screenshot shows a responsive newsletter layout. At the top is the California State University, Los Angeles (CSUN) seal. Below it is a header section with the text "Discover CSUN Campus Life!" and a photograph of the university's Student Union building with large red "C", "S", "U", and "N" banners hanging from its entrance. The main content area is divided into several sections: "Campus Events" (describing the Fall Festival), "Student Clubs" (mentioning over 300 organizations), "Dining Options" (mentioning Malador Mercado and Freudian Sip), "Oviatt Library" (mentioning renovations and 24/7 access), and "Recreation" (mentioning the Student Recreation Center). At the bottom are buttons for "View Campus Events" and "Join a Club", and a link to "Show Event Details >". The footer contains small text about the newsletter's creation and a unsubscribe link.
